- NEPC's 2019 Asset Class Assumptions
- Manager Due Diligence Report
- MPERS’ Proxy Voting Report
- Internal Fixed Income Review
- MPERS’ Borrowing Authority (Governance Policies)

Following a presentation by Mr. Jeff Fink of Thompson Coburn regarding the authority for the System to borrow money for investment purposes, the Investment Committee recommended the Board rescind all of the leverage changes adopted by the Board at its meeting on November 29, 2018.

CIO INVESTMENT REPORT
~ by Mr. Larry Krummen (MPERS) and Mr. Kevin Leonard (NEPC)

- **Investment Performance Report for Quarter Ending December 31, 2018**
  Mr. Kevin Leonard provided a report on MPERS’ investment performance for the quarter ending December 31, 2018. MPERS’ fund value was $2.28 billion as of December 31, 2018, and ranked in the top 3% of the universe across all measurement periods out to 10 years, with a risk profile (measured by standard deviation of returns) in the bottom 3% of the universe. That combination has produced the single best Sharpe ratio (a measure of risk vs. reward) across the entire peer universe.

- **Current Asset Allocation Overview/Positioning Relative to Targets**
  The asset allocation changes approved in November went into effect January 1, 2019. Staff is working with Northern Trust to incorporate the new asset allocation targets along with the beta grouping structure into MPERS’ performance and asset allocation reports. Once finalized, all underlying investments will be broken down into three broad risk (beta) categories: equities, rates and credit, and real assets.

  As of February 13, 2019, each of the respective asset class allocations are within the permissible ranges.

INDUSTRY INFORMATION REGARDING PUBLIC INVESTMENTS
~ by Mr. Patrick McKenna, MPERS’ Trustee

Mr. McKenna stated as fiduciaries of the system, the Board carries a statutory and legal responsibility to be educated and make prudent, informed decisions regarding the investment of the system’s funds. Mr. McKenna indicated there is a growing, national trend to question the use of alternative investments by public pensions and the MPERS Board should seek “verification” that MPERS’ investment portfolio is free of those issues. Mr. McKenna made a motion for the MPERS’ Board to approve and direct the following action(s):

1) Direct the Investment Committee to develop the request(s) for proposal and administer the competitive procurement(s) in order to engage independent qualified consultant(s), including but not limited to, a pension forensic analyst, to analyze and audit the System’s investments (including alternative investments), as well as the System’s investment policies and strategies. Such consultant(s) analysis and audit shall include, at a minimum:

a) Determination of the actual costs of all System investments, including the appropriateness, transparency, fees, and expenses charged;

b) Determination of whether System investments are accurately valued and whether there is sufficient liquidity;

c) Address any other issues identified by the Investment Committee; and

d) Preparation of any report(s) to the Investment Committee that shall include all findings and recommendations for changes to the System’s investments and the System’s investment policies and strategies.
2) Direct the Investment Committee to receive any report(s) created by independent, qualified consultant(s) and:
   a) Review such report(s) and direct the consultant(s) to make any required changes and
   b) Upon satisfaction with the findings and recommendations in such report(s), submit such report(s) to the Board for review and approval.

Mr. Briscoe seconded the motion. After discussion, and to address the concerns of Trustees, Mr. McKenna amended his motion to remove item 1c) above and to place a $250,000 cap on the cost of the study. Mr. Briscoe also seconded the amended motion. The following roll call vote was taken:

- Mr. William “Bill” Seibert, Nay
- Lt. Colonel Eric Olson, Nay
- Mr. Gregg Smith, Aye
- Mr. John Briscoe, Aye
- Sgt. Matthew Broniec, Nay
- Senator Mike Bernskoetter (no longer in attendance)
- Mr. Mike Pace, Aye
- Mr. Patrick McKenna, Aye
- Representative Sara Walsh, Aye
- Ms. Sue Cox, Nay
- Mr. Todd Tyler, Nay

The chair declared the vote was 5-5 and indicated the motion did not carry.

**DIRECTOR’S COMMENTS**

- **Mid-Year Budget Report**

  The Governance Policy requires a budgetary review twice a year – once when the budget is approved by the Board and a second time, at mid-year, to illustrate whether expenses are coming in as anticipated. Mr. Simon reported the Budget Committee was provided with mid-year numbers of the System’s budget as of December 31, 2018. All expenses were found to be within the budgeted allowances.
• **Determination of Annual Cost-of-Living Adjustment Amount**

Mr. Simon informed the Board that Sections 104.103 and 104.1045 of the Revised Statutes of Missouri require an annual cost-of-living adjustment (COLA) to be determined in January of each year, based upon the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) over the preceding calendar year. This amount will be used in calculating the annual benefit increases for retirees and survivors. The COLA for calendar year 2019 will be 1.954%.
