New Board Chair & Vice Chair

The MPERS Board of Trustees holds elections every year at their February meeting to name a Chair and Vice Chair of the Board. Sue Cox was elected Chair and Major Kemp Shoun was elected Vice Chair. We look forward to working more closely with both in their new roles.

MPERS FYI 2017 – A Popular Annual Financial Report

The latest version of "[MPERS FYI](#)" is now available on our website. The FYI provides a brief history of MPERS, a summary of our benefit provisions, as well as the most recent statistical and financial information pertaining to our membership, finances, investments and funding status. We have made some additions this year to turn this brochure into a "Popular Annual Financial Report." We hope you find the new format informative, and easy to understand.

MPERS Webinar

We recently conducted our latest webinar, "The Year 2000 Plan: For Year 2000 Plan Employees of MoDOT, Uniformed & Civilian Patrol & MPERS". This webinar discusses the key provisions of the Year 2000 Plan and lasts around 45 minutes. The webinar was recorded and has been added to our library of information under [Education on Demand](#).
