

Member Profile Report

As of June 30, 2021

Director's Note

Scott Simon
Executive Director

This *Member Profile Report* is designed to give the MPERS Board of Trustees and the MoDOT and Patrol human resource representatives an annual snapshot of the membership and information that they may find useful in understanding the retirement system.

The information in the report is based on fiscal year data unless otherwise noted on the page.

The report is designed to provide information on the entire membership and then provide information in greater detail by type of member, and often, by employer. For example, page three provides data on actives, retirees, survivors, and vested former members while page four provides information on the benefit recipients.

Pages 5 to 14 provide information on our actively employed members.

Pages 15 to 17 provide information on our vested former members by age and years of service by employer.

Pages 18 and 19 provide information on current age, years of service at retirement, and selected retirement plan for our retirees.

Page 20 provides a history of retirements, retirees that took BackDROP, and the member's status at the time of retirement. We ask readers of this report not to use the information on page 20 to counsel members on retirement elections (i.e., whether or not to take a BackDROP).

Page 21 provides a history of the benefit payment elections our members made at retirement. Again, we caution readers of this report not to use that information to counsel members on retirement elections (i.e., whether to take a 50% or 100% survivor option).

Page 22 provides a running history of average years of service and final average pay for our retirees.

And lastly, pages 23 and 24 provide the locations of our retired members. It is interesting to note that nearly 94% of our retirees continue to live in Missouri supporting their local economies, civic, and social endeavors.

We hope you find the information useful. Should you wish to see different information in future reports, please let us know.
