Two-Step Retirement Process

The retirement process consists of two steps: (1) submitting your *Notice of Retirement* and (2) submitting your *Retirement Election Form*. The two-step process will allow us to provide more accurate information for your retirement elections. Based on your intended date of retirement, these forms must be received by MPERS by the dates listed on the chart below.

Step 1: Notice of Retirement

MPERS will use your date of retirement and spouse information to generate individualized benefit estimates and a *Retirement Election Form*.

Step 2: Retirement Election Form

You will receive a *Retirement Election Form* and benefit estimates in the mail. The form will be individualized with your election options. The benefit estimate(s) should provide enough information to help you make informed retirement elections.
